## <sup>B</sup>FQHC Encounter

Alaska Medical Assistance Program – Provider Billing Manual – Federally Qualified Health Center / Rural Health Clinic Services, page 11.

"A FQHC/RHC visit means the aggregate of face-to-face encounters, occurring on the same
calendar day and at a single location, between a FQHC/RHC patient and one or more
FQHC/RHC professionals; for purposes of this paragraph, "aggregate face-to-face encounters"
does not include:

□ multiple face-to-face encounters in which, after the first encounter, the patient suffers
an additional illness or injury requiring additional diagnosis or treatment;
$\square$ a face-to face encounter for dental or mental health diagnosis or treatment that occurs
on the same calendar day and single location as one or more face-to-face encounters for
medical diagnosis or treatment; or
□ charity care"

<sup>C</sup>Alaska Medical Assistance Program – Provider Billing Manual - Behavioral Health Services, page I-3. **Mental Health Professional Clinician** □ a person having at least a master's degree in psychology, social work, counseling, child guidance, or nursing with specialization or experience in mental health; □ a marital and family therapist licensed under AS 08.63 or in a state with substantially similar requirements and who works in their field of expertise; or □ a professional counselor who is licensed under AS 08.29 or in a state with substantially similar requirements and who works in their field of expertise. (7 AAC 43.1990(56)) **Mental Health Clinical Associate** □ a person who may have less than a master's degree in psychology, social work, counseling, or a related field with specialization or experience in working with chronically mentally ill adults or severely emotionally disturbed children or adults. ☐ responsibilities may include psychosocial evaluation, individual skill development services, family skill development services, group skill development services, recipient support services or day treatment rehabilitation services AND is □ working within the scope of his or her training and experience, and under the direction of a mental health professional clinician, physician, or psychiatrist in a community
